FOREWORD

In as much as music has been the inspiration
during every national crisis from time immemorial
we feel that this present crisis is no exception. There-
fore we feel it fitting and proper that our theme should
be one so appropriate to the times especially since so
many of our graduates are in our great armed forces.

DEDICATION

In tribute to his great interest in and earnest promotion of creative work in Bangor High School, we, the Slate Staff with the utmost appreciation and gratitude, dedicate this issue of the Slate to Mr. Warren S. Smith.

In recent years, he started a Drama Class and with those who were interested in play writing formed the Playmakers.

Because of his induction into the Army, he was not able to direct the annual Senior play. However, his creative ability has remained with us throughout the play that he has written and the dramatic group which helped to produce it.

We feel that whatever task Mr. Smith undertakes, whether it be in his country's service or that of his chosen career, he will succeed.

In Memoriam

We take this opportunity to express our extreme sorrow over the death of Mr. John T. Hess. As a member of our faculty, he has taught so long and so many people that he has been the pillar of education in Bangor High School for over a generation. Although he has left us, his sayings and teachings will always live in the memories of his pupils. We feel sure that past graduates as well as those of the present join with us in expressing our sorrow over the great loss to our school and community.

SENIOR CLASS

We, the graduating class of 1943 wish to express our sincere thanks to Mr. De Haven for his excellent advice and guidance during the time that he acted as our adviser.

SENIOR CLASS HISTORY

The most important thing that happened in our Freshman year was our trip to Lake Hopatcong.

In our Sophomore year we had many members participating in extra-curricular activities and held a very successful party in the auditorium.

During our Junior year we were more active. We were the proud bearers of the newly selected class ring. From our Christmas dance we received a large profit. The most important event of our Junior year was the banquet, which was held at Buck Hill Falls.

Under the leadership of Mr. DeHaven, the Senior Class of 1943 had a very delightful Senior year. At Thanksgiving we had our annual Senior dance. The motif of decoration was of Latin-American countries.

Another outstanding event of the year was the senior class play "Holly House", written by Mr. Warren Smith, and presented in the high school auditorium on the evenings of March 8th and 9th. It was a very great success due to the excellent work on the part of every member of the cast and all those concerned with the play.

On May 14th we had our dinner-dance at the Hotel Easton. The Music was furnished by Johnny Altieri and his orchestra.

Our School days will soon be just a pleasant memory, but the memory of Bangor High School will always live in our hearts.

JUNIOR CLASS

The officers elected by the Junior Class are:

<i>President</i>	GEORGE PRITCHARD
<i>Vice-President</i>	DENNIS POZZUTO
<i>Secretary</i>	JOYCE KAISER
<i>Treasurer</i>	ANITA STRUNK
<i>Adviser</i>	MISS MILDRED STODDARD

The first important event of the Junior Class was a Christmas Dance held December 23 in the auditorium. The dance proved to be a social as well as a financial success.

Our big thrill came in February when we received our class rings.

We presented an assembly program for both Senior and Junior High Schools on April 29th and 30th.

Everyone in the Junior Class is anticipating a banquet or some other social affair at the end of the year.

The Junior Class deeply appreciates the effort and guidance of Miss Stoddard, our adviser.

<i>Adviser</i>	MR. TREVOR WILLIAMS

The first meeting of the Sophomore class was held in September.

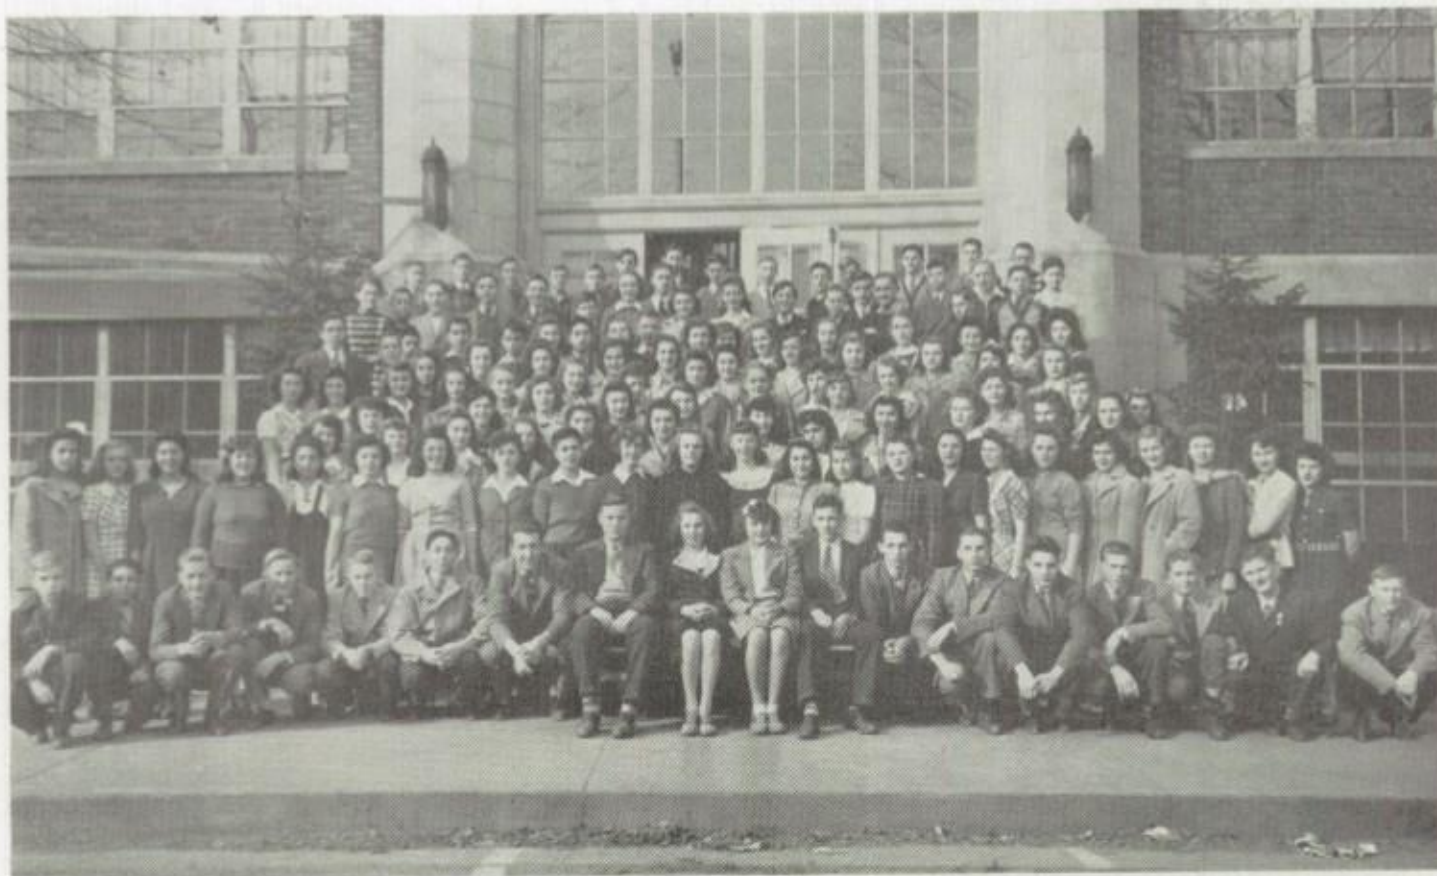

On October 15th and 16th we presented our assembly program to the Junior and Senior High School.

In October we ordered our class rings. We are the first class to order their rings in their Sophomore year.

On May 7 we held a successful party which was enjoyed by all.

On June 3rd and 4th we presented our second assembly program.

We wish to give our sincere thanks for the services and cooperation of our adviser, Mr. Trevor Williams.

FRESHMAN CLASS

We elected officers at the first meeting. They are as follows:

<i>President</i>	HERBERT P. MURPHY
<i>Vice-President</i>	JEANNE GILLILAND
<i>Secretary</i>	JOYCE BUSSENGER
<i>Treasurer</i>	WILLIAM WINTERS
<i>Adviser</i>	MR. DAVID THOMAS

We made no plans during the year but despite this, we had a good time.

We prepared an assembly program which was given to the Junior and Senior High Schools on January 21st and 22nd. The main feature of the program was a playlet called, "His First Girl" which was enjoyed very much. Other members of the Freshman Class also participated with musical numbers, including our well-known marimba soloist, Ruth Shimer.

We, the members of the Freshman Class, greatly appreciate the help and guidance of our adviser, Mr. David Thomas.

The outstanding event of the year was the presentation of the service flag in the auditorium, by the American Legion. This was taken care of by the Student Council. When additional stars are to be added, the council members will also take care of this.

An assembly for both Junior and Senior High was held by the council in the form of an auction.

Our outstanding club event for the school year was the presentation of the marionette show, Harriet Beecher Stowe's immortal "Uncle Tom's Cabin," for which three new puppets were carved. All of the club members had parts in it, which consisted of speaking, manipulating the puppets, dressing the puppets, and painting scenery. We also worked on new lighting effects.

The Sixth Annual Art Show was sponsored in May, with John J. Soble of New York, a well-known American portrait painter, as guest artist. During the year the club members were guests of the Artists Guild, when Mr. Soble gave demonstrations of oil painting and charcoal sketching.

The members participated in two poster contests sponsored by the Hercules Powder Plant and many of them won worth while prizes.

<i>Secretary</i>	CAROLINE YOUNG

The aims of our club are: first, that students become better acquainted with the mother language; second, that the members acquire a better understanding of the cultural value of the language, the geographical and political conditions of Germany; third, that they may learn the ways, sayings, vocabulary, and the songs of the German people.

This threefold aim is carried on very well under the direction of Mr. Stirling C. Schmoyer, the German teacher.

The club meets every other Tuesday in the Music Room. The activities included a doggie roast and also an assembly program which was presented on December 4th.

We, the Microscope Club, are organized for the purpose of learning to use the microscope and to become more and better acquainted with plant and animal forms. We are the Bangor Chapter of the American Society of Amateur Microscopists, a nation wide organization. Each member, during the school year, worked on his own selected subject.

We presented our assembly program on March 24, 25. On April 22, we had a social hour, the proceeds of which were used to meet expenses, as no dues are charged by the club.

The club members thank Mr. Stirling Schmoyer for his able guidance in making possible the accomplishments of our organization.

"To create, maintain, and extend throughout the school and community, high standards of Christian Character."

The Club stands for the all-around development of its members, "Spirit, Mind, and Body," and serves three main training purposes: "Home, Church, and School." Its objective is to seek, to find, to share; its slogan: "Pure thoughts, Pure words, Pure actions;" and its platform: "Self-Improvement, Christian Fellowship, and United Service."

The Club's principal activities of the year consisted of leading homeroom devotions, and offering our services to Homefront by getting signatures of people to send Christmas greetings to the boys for the December issue of the magazine; making an afghan for the American Red Cross; taking a Bible Study Course sponsored by the State Y. M. C. A., selling war stamps and sponsoring a key campaign.

Quite a few of the girls attended the Tri-Hi-Y Convention, which was held at the State Teachers' College at Stroudsburg.

Social Events for the year consisted of: a square dance with the Hi-Y, a Christmas party, and monthly socials in the Music Room. During the year, the Club was greatly honored to have at its meeting various faculty members and local residents who gave interesting talks on their respective subjects.

Third Row: Milton Butz, John Reinhart, Carl Jones, Vernon Pritchard, Carl Brown, Sterling Mack.

The Hi-Y Club this year has been very active in many different fields. To start the year off we had a Hallowe'en party at Richmond. Then the boys took care of the score board and also sold programs at the Thanksgiving Day game. After football season the club pitched in with the scrap drive. At Christmas time the club sent twenty-five former members of the Hi-Y Christmas gifts. Around the middle of January the fellows had a very successful square dance with the Tri-Hi-Y. We are now preparing to induct twenty new members into the club. The club also has given more of its members, this year, to Uncle Sam than any other club in the school. They are as follows:

John Rinehart	Navy	Milton Butz	Navy
Everett Hughes	Navy	Dick Wells	Navy
Clifford Williams	Navy	Carl Brown	Marines
Clarence Beegle	Navy	Bill Baskwill	Navy

We also want to express our gratitude to Mr. Gleim, our adviser, who has helped greatly in our advancement.

The Junior Tri-Hi-Y started out the year with a reception to welcome new members. Our other outstanding social activities were a Hallowe'en party, a scavenger hunt, a luncheon, a Christmas party, a shower for Mrs. Flower, and an indoor swimming party.

Our purpose, which is: "To create, maintain, and extend throughout the school and community high standards of Christian Character," was also carried out. We led devotions in the Junior High School homerooms and assembly. The club again participated in the State Y. M. C. A. Bible Study contest which was lead by Rev. Fenton I. Laukes. As a group, we attended two community prayer and Church services. A "Go to Sunday School" campaign was held.

The club was also active in war time activities. We sponsored a War Stamp Drive in the Junior High School which was very successful. Members of the club canvassed the town for waste fats.

The Junior Tri-Hi-Y wishes to extend its sincere thanks to our advisers for their splendid advice, cooperation, and guidance.

BANGOR LEADERS' CLUB

Our aim is to promote good leadership among all the girls of the school.
 The club began its second year of existence by electing the following officers:

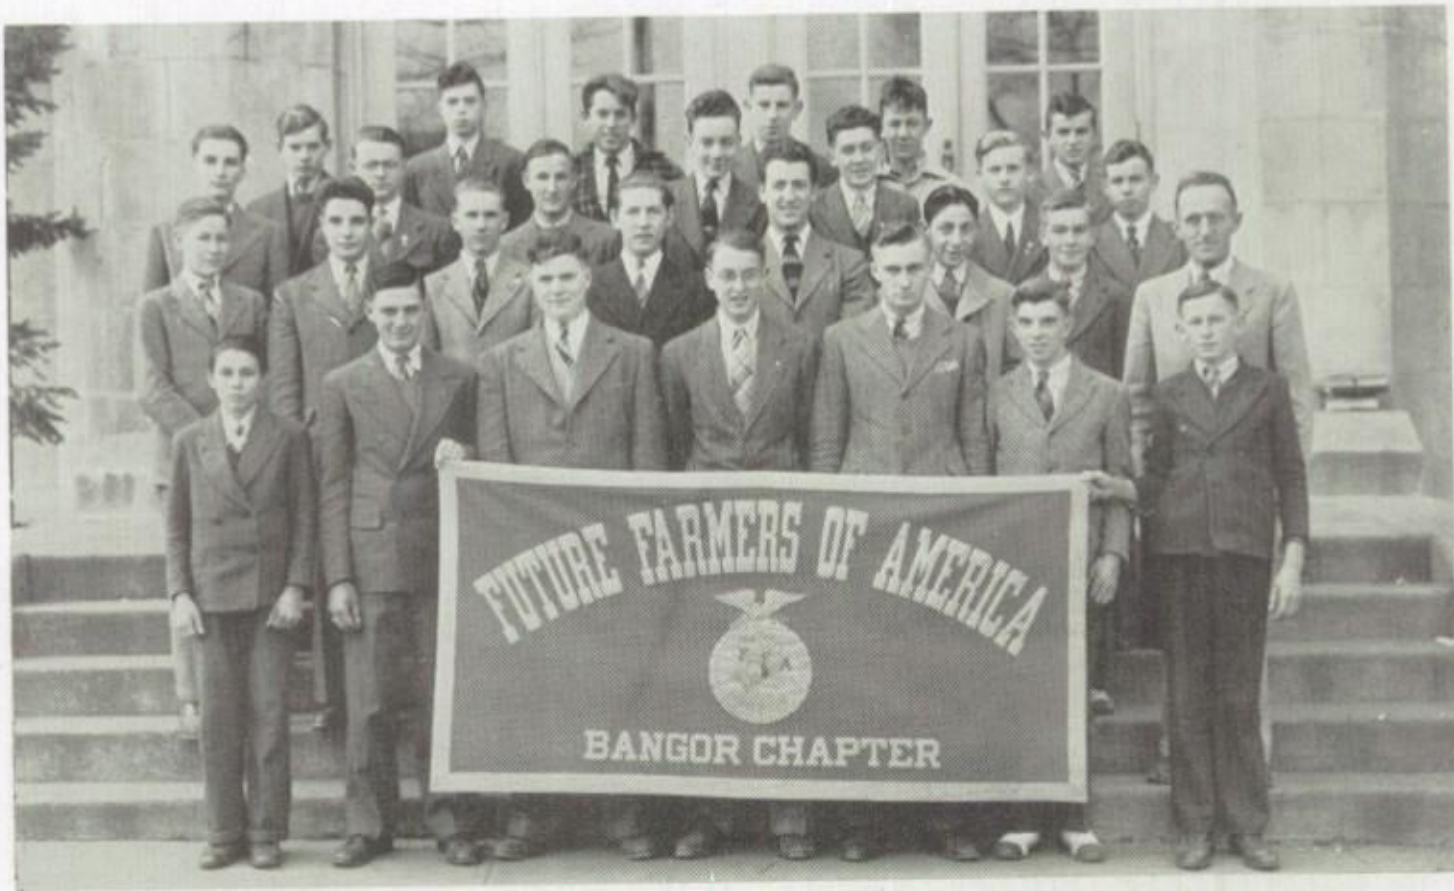

<i>President</i>	CELESTA COPPOLELLA
<i>Vice-President</i>	BETTY TREWIN
<i>Secretary</i>	FRANCES PRICE
<i>Treasurer</i>	SHIRLEY KNEEBONE

The club members presented an entertaining program to the Junior and Senior High Assembly. A number of dances were exhibited and several human pyramids were formed. Also, a play "Will You Walk Into My Parlor" was presented.

The Leaders Club has been very active this year in promoting interest in activities such as winter sports, bowling, basketball, hiking, bicycling and volley ball.

A point system was devised whereby the girls with the highest number of points will be given awards at the end of the year.

The members wish to thank Mrs. Barbara Flower, its adviser, for the marvelous leadership she has given them.

The Future Farmers of America are now in their eighth year in Bangor High School. Under the supervision of Mr. Ott, they collected 15 tons of scrap in cooperation with the National Scrap Drive.

Again this year the boys of the club came through with numerous prizes in judging and project contests. In June, 1942 the boys travelled to State College and came through with honors in cow, livestock, and Dairy Cattle contests. During this school year, they travelled to the Wyckoff's fair in Stroudsburg and won many prizes, including one first place.

The club plans to hold their annual Father and Son Banquet as usual, if the war does not alter their plans.

GIRLS' GLEE CLUB

<i>President</i>	DOROTHY DUTT
<i>Vice-President</i>	SHIRLEY METZGAR
<i>Secretary</i>	ELLA FISHER
<i>Treasurer</i>	LOIS DATESMAN

The Glee Club organized this year under the excellent supervision of Mr. Trevor Williams. Our most outstanding accomplishment of the year was a concert in the First United Evangelical Church which consisted of Classical and religious selections. However, this was our last engagement due to the fact that so many of the girls were employed in defense factories and could not spare the time to practice after school.

We greatly appreciate the time Mr. Williams has given to us in directing the club.

Left to Right—Frances Price, Betty Menhennitt, Betty Finkbeiner, Betty Lou Smith, Betty Hance, Celesta Coppolella.

CHEERLEADERS

Which meg? ——— What color jacket? ——— What time do we have to be there? ———

Yes, everyone in our sextet was trying to ask questions at once. But it was a friendly, well spirited organization.

They followed the football team to all the home and away games, and had a great deal of enthusiasm for the team. Because of the gasoline rationing we were handicapped and were unable to follow the basketball players to every game. Even though we weren't there, our thoughts were with them.

We are sorry that four seniors are leaving our sextet but we are grateful for the grand work they did during their membership. The graduates are: Betty Hance, Betty Menhennitt, Frances Price, and Betty Lou Smith. They wish their successors will find as much enjoyment in cheering our team to victory as they have this year.

We, Too, Are Working for Victory!

A feed mill may not be as exciting or dangerous as a munitions plant, but it plays a mighty important role in winning the war. Feeding our armed forces on the fighting front, as well as our production forces on the home front, is a most essential job.

To help in this gigantic undertaking, the farmers of America have been asked to produce more eggs, more milk, and more meat. This means that now, more than ever before, production must be maintained at maximum levels—that inefficient, wasteful feeding must stop.

Here at Flory, we are proudly doing our part in turning out top-quality feeds that will help farmers produce more. These Flory Feeds are manufactured from choice quality ingredients. They are nutritionally correct and up-to-date in every respect.

If you are raising poultry, dairy, hogs or other livestock, you will find that on the basis of results alone, Flory Feeds rank with the best despite their reasonable cost. Why not try a bag or two of Flory rations and convince yourself that you can get the best right here at home.
